Technical Energy Analysis**

In 2008, KPE – Consulting Engineers, Inc. (KPE) conducted a Technical Energy Analysis (TEA) of the Floyd County Courthouse. As a Certified Energy Manager (C.E.M), qualified energy rater for KPE, and an Iowa Licensed Professional Engineer, I verify the results of this TEA meet the current state building energy code and Energy Star® standards. The results provide rehabilitation of this existing structure including renovation of the heating, ventilation and air conditioning (HVAC) system.

Sincerely,

KPE –Consulting Engineers
